- Any other expenses which are not mentioned on 'Price Includes' section.

Important

During the trip, weather, local politics, transport or a multitude of other factors that are beyond our control can result in a change of itinerary. It is, however, very unlikely that the itinerary would be substantially altered; if alterations are necessary the leader will decide what the best alternative is, considering the best interests of the whole group. Where a change occurs, we do everything we can to minimize its effect, but we cannot be responsible for the results of changes or delays.
